SECOND ACT COMMUNITIES

Dear COMMUNITY CHAMPIONS,

We can't thank members of the military and their families adequately for their service. This year, Second Act Communities is launching Operation: Now It's Our Turn. This campaign is being launched to furnish 50 apartments in our newest development project called Cypress Landing. Cypress Landing will be a permanent home for homeless and/or disabled veterans. Cypress Landing is scheduled to open this summer.

If you would like to make a donation, go to the campaign's website <http://secondactcommunities.org/oniotevents>. If you have any questions, please contact Raven Keenan at rkeenan@secondactcommunities.org.

Thank you ,in advance, for your support.
